

STURDY BATTERY BOX

The STURDY Battery Box is a recycling container for all domestic batteries, there are two compartments for small and large batteries.

Benefits & Features

Soft round design, user-friendly design makes the *STURDY* Battery Box ideal for busy pedestrian areas.

The product has separate inlets for button batteries and regular batteries, eliminating the need to categorise batteries, as they are already separated into small and large.

Promotes a 'cleaner and greener' environment.

Option of attaching to a pole or mounting to a wall.

The hinged door can be secured by using a standard padlock on the side locking point.

The product is easy to empty by lifting out the internal cartridges.
