

STURDY Tipping Wheelbarrow

The STURDY Tipping Wheelbarrow is ideal for transporting material whether in a farmyard, stable or at home

1. Wheelbarrow is balanced so it is easy to manoeuvre even when fully loaded.

2. Lift handles of barrow until the bucket tilts forward away from the frame.

3. Bring frame back towards the ground and the bucket will tilt forward fully, emptying contents.

- Ideal for agricultural use, equestrian use, any area where large amounts of material is being transported.
- The wheelbarrow is balanced perfectly so even when fully loaded it is simple to lift and easy to tip.
- Comes complete with plastic handles and a galvanised steel frame.
- Two pumped wheels allow for ease of movement.
- The smooth interior allows the wheelbarrow to be cleaned with ease.
- As an optional extra, each wheelbarrow can be personalised to customers specification.
