240L Wheeled Bins

The EN-840 approved wheel bin has a chip nest embodied in the container as standard. The wheeled are manufactured from high- density injection moulded polyethylene and are fully UV stabilised.

Each bin is fitted with two rubber wheels of 200mm diameter, which are 100% recyclable.

The wheel bins are fully compatible with normal lifting devices on trucks. Serial numbers come on all units as standard.

Technical Information

Length:	725mm
Width:	580mm
Height:	1075mm
Capacity:	0.24m ³
Code:	117-A
