

STURDY Waste Segregation Station

Recycling is now obligatory for all businesses. It is down to all of us to reduce, re-use and recycle. The STURDY Waste Segregation Station is the ideal way to start recycling in schools, offices, canteens and restaurants.

Frame Length: 2,000mm
Frame Depth: 500mm
Container Height: 820mm

Bin and backplate signage can be supplied as an optional extra

Each container has a capacity of 85lt's and an elasticated strap will hold liner bags and prevent them slipping down inside the bin

Ideal for the segregation of waste in canteens, schools and restaurants

Comes supplied with a coated steel support frame

Containers can be supplied in various colours

"Let us help you play your part!"
